

# AMES 2010 Update

Hi Everybody

Just a short note to let you know how things are going. Everything is falling into place. There are always little problems that pop up once in a while but all and all, things are going well. Registration has been steady for so early in the year which is good to see. People have asked if it is OK to pay the \$990.00 registration fee all up front instead of in two instalments. Paying the whole registration fee is fine. Makes less bookwork for all concerned. Most registrations coming in are paying the full amount up front. Whatever works for you or your employer is good with me.

Please register early to be sure of getting a room on site at Kempenfelt. All the AMES information is on our OPIA website: [www.opia.info](http://www.opia.info).

Mary Lou tells me that the Companion's luncheon cruise is booked for the Monday and the rest of the program is shaping up well. If you have never brought your companion to an OPIA conference before, this would be a great one to start. It looks like a lot of fun.

Any questions you can email me at: [danielgunn@rogers.com](mailto:danielgunn@rogers.com) or Mary Lou can provide information for the companion's program at: [mlgunn@rogers.com](mailto:mlgunn@rogers.com).

Hope to see you in September.

Dan
